

June 14, 1940

Mr. Joseph F. Smith
Mr. Thomas G. Replin
Mr. Earl J. Sorensen
Orderville, Utah.

Gentlemen: **RE: LONG VALLEY DISTRIBUTION SYSTEM**

This will acknowledge receipt of your letter of June 12, in which you ask for the appointment of Ervin Hoyt as Water Commissioner on the Long Valley distribution system.

You say that Mr. Hoyt has agreed to accept the appointment and that you have discussed the matter with many of the independent water users, but that the Glendale, Orderville, and Mt. Carmel Irrigation Companies are by far the majority of the water users and you, therefore, recommend the appointment referred to; however, you do not say anything relating compensation for the Water Commissioner. It will be assumed, therefore, that the three companies referred to will pay the cost involved without any recourse whatsoever to the State Engineer for payment of any cost. With this understanding, I will appoint Mr. Hoyt Commissioner upon receipt of \$5 exacted under the law before a Commissioner can be appointed.

Yours very truly,

T. H. Humphreys
STATE ENGINEER.
